

President's Greeting :

Welcome to the Washington State Chapter of Pilots for Christ International (PCI). All chapter members (pilots and non-pilots alike) love the Lord Jesus Christ and joined PCI because they have a desire to serve others through aviation. All our pilots are licensed by the Federal Aviation Administration to carry passengers and cargo. All chapter members are eager to use their skills and abilities in the Lord's service. If you have any need that can be supported by our chapter, would like to join PCI or just have questions, please contact us.

May the peace of God that passes all understanding be with you always.

Steve Townsend, President
Washington State Chapter
Pilots for Christ, International
(360) 871-8046

As members of Pilots for Christ, International (PCI), we acknowledge Jesus Christ to be both true God and true man. We accept Him as our personal Savior, and Savior of the world. In gratitude to Almighty God for the gift of flight, we endeavor to use our interest in aviation to promote His Gospel throughout the international aviation community, in particular, and the world in general, through service.

We will use only honest and ethical means in serving those in need. We provide our services **free of charge** to any needy person, regardless of their race, religion, or ethnic identity.

You are my God, and I will give you thanks; you are my God, and I will exalt you.

Psalms 118:28 (NIV)
